

NEW COLLEGE SCHOOL

**Activities Michaelmas 2017**

## LUNCHTIME ACTIVITIES

All pupils take these and so there is no need to register any choices for these via the online survey form; choristers may join in after lunch if they wish. These activities are run between 1pm and 1.40pm every school day other than Wednesday. The idea is to give the pupils a mix of active and thinking activities that will enhance their day at school.
