Pre-prep Activities Michaelmas 2017

PRE-PREP ACTIVITIES AT NEW COLLEGE SCHOOL

Our philosophy is to build up participation in activities as the boys get older and less tired after the main part of the school day. Please note there is no obligation for boys to join an extra-curricular activity, and parents will want to make decisions according to their own son's aptitudes, interests and family routines.

The sign-up for After-school Activities is electronic and all parents must complete the online survey form to register their son's choices.

THIS LINK WILL BE SENT TO PARENTS AND OPEN FROM 8PM ON SUNDAY 9th JULY TO 8PM FRIDAY 14th JULY. PLEASE ENSURE YOU COMPLETE THE FORM PROMPTLY TO AVOID ANY DISAPPOINTMENT! PLACES WILL BE CONFIRMED ON THURSDAY 20TH JULY.

Should you have any queries about Activities then please email Mr Morrison:
